

PFI

Our consultants have accumulated considerable experience of PFI. We deliver PFI services across a range of operational PFI contracts and those under construction.

Services to clients, funders and contractors in the PFI business include the following roles:

- Dispute resolution
- Management of high value changes
- General Management of Special Purpose Companies
- Due diligence advice to potential investors
- Operational advice to clients and contractors

Successful management of PFI commercial issues has meant that Bowdon is developing a very positive reputation for undertaking critical PFI roles. Effectively managing commercial processes and disputes is what we do as an accomplished team. We are confident we can meet all stakeholder expectations.
